

Hot Rods & Reels on the Horizon

Monday, January 17, 2011 at 11:59AM

The **Hot Rods & Reels Charity Fishing Tournament** is set for Feb. 18, during Daytona 500 Weekend in Daytona, Fla. It's your chance to fish with a NASCAR driver for a great cause or simply donate to help find a cure for paralysis.

Along with Spectracide and others, the Darrell Gwynn Foundation sponsors the event. Darrell Gwynn and his wife, Lisa, created the foundation in 2002, with the intent to "provide awareness, prevention, support and ultimately a cure for paralysis."
